

OLEMA CREEK RE-VEGETATION PROJECT

Saturday, March 15
10 AM – 2 PM

Volunteer with the Watershed Stewards Project and National Park Service at Point Reyes National Seashore to improve stream habitat for Coho Salmon and Steelhead Trout

We need help planting native plants and trees along the banks of Olema Creek. Snacks will be provided!

We will meet at the Bear Valley Visitor Center and then walk to the project site. Please bring water, a bag lunch, sun protection, long pants, and closed-toe shoes.

For more information, contact Brentley McNeill at 415-464-5206 or brentley.mcneill@ccc.ca.gov

The Americorps Watershed Stewards Project's (WSP) mission is to conserve, restore, and enhance anadromous watersheds for future generations by linking education with high quality scientific practices. A project of the California

Conservation Corp, WSP is administered by CaliforniaVolunteers and sponsored by the Corporation for National and Community Service.
